(1) Astronomy Our Cosmic Address

The diagram consists of four nested rectangular boxes. The innermost box contains a globe of Earth. The next box out contains a representation of the Solar System with a central star and planets. The third box contains a spiral galaxy. The outermost box is empty, representing the Universe.

International Year of Astronomy

The banner is vertical and features a dark background with several colorful celestial objects, including galaxies, nebulae, and planets. At the bottom, the URL "http://iya2009.usau.ac.jp" is printed.
